LINGARAJ APPA ENGINEERING COLLEGE

GORNALLI BIDAR - 585 403

(AICTE, Approved & VTU Affiliated)

**VTU TEQIP 1.3 Sponsored
3 days Workshop on**

“Recent Trends In IT Industry”

19th October – 21st October 2019

In Association with
Visvesvaraya Technological University
“Jnana Sangam”
Belagavi, Karnataka.
Aryabhatta Knowledge University, Patna, Bihar
Biju Patnaik University of Technology
Rourkela, Odisha

Organized by

Department of Computer Science & Engineering,
LAEC, Bidar

About the College

The vision and foresight of our president **ParamaPoojya Dr.Sharanabaswappa Appaji**, Mahadasoha Peetadhipati, Chancellor SharanBasava University, Sharanbasaveshwar Samsthan, Kalburgi, who has 41 Years of experience in the field of Education, our management is determined to serve the cause of the growing fields and proficient Engineering graduates in this Hyderabad-karnataka region. Lingaraj Appa Engineering College is situated at Gornalli, Bidar district of Karnataka State, located at the northern tip of Karnataka established in 2011. Our College is one of the branch of Shri Sharana-Basaveshwar Vidya Vardhak Sangha,Kalaburgi. This college is approved by AICTE, New Delhi. affiliated to VTU,Belgavi.

About the Department

The Department of Computer Science Engineering was established in the year 2011 with an intake of 60. We impart quality education to the students to excel themselves in this rapidly growing IT industry, cutting edge we emphasize on technology based teaching method. We adopt discourse method of teaching, every class is of 2hrs in which, we teach for 45 minutes Faculty-students interaction for 45 mins & in last 30 mins students should write assignments regarding what they have learnt. This is inline with our Param Poojya Appaji's principle of independent learning, independent thinking & independent writing.

Objectives of Workshop:

To bridge the gap between the academic curriculum & IT industry. To impart knowledge to students about the IT industry & skills required for it. The domain in recent trends is to boost their opportunities in this competitive world. Also to enlighten the students about their future in higher studies across the globe, keeping in view of latest trends and technologies.

About VTU

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India with 20 years of Tradition of excellence in Engineering & Technical Education, Research and Innovations. It came into existence in the year 1998 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. The university having 218 affiliated colleges, 1 constituent college and 17 Autonomous colleges with undergraduate courses in 35 disciplines, PG program in 94 disciplines and Ph.D & M.sc(Engg.) with research programs in 592 departments, over 4 lakhs Engineering Students study in the various institutes affiliated to the University. The University has 13 Quality Improvement Programme (QIP) centers in various affiliated colleges and 16 extension centers for offering PG programs. The University has revised the syllabus for UG and PG from the academic year 2014-15. It has four regional centers across the State of Karnataka in Belagavi, Bengaluru, Kalaburagi and Mysuru respectively.

About TEQIP

Improving quality and equity in engineering institutions in focus states viz. 7 Low Income States (LIS), eight states in the North-East of India, three Hill states viz. Himachal Pradesh, Jammu & Kashmir, Uttarakhand and Andaman and Nicobar Islands (a union territory (UT))

System-level initiatives to strengthen sector governance and performance which include widening the scope of Affiliating Technical Universities (ATUs) to improve their policy, academic and management practices towards affiliated institutions, and

Twinning Arrangements to Build Capacity and Improve Performance of institutions and ATUs participating in focus states.
