

2.5 Evaluation Process and Reforms (40)

2.5.3 IT integration and reforms in the examination procedures and processes (continuous internal assessment and end-semester assessment) have brought in considerable improvement in examination management system of the institution

Response:

- The university has been continuously carrying out of reforms in its examination procedure through integration of IT in all the procedures and processes of the examination system. The reforms have also been implemented in the continuous internal assessments modes and components. Examination procedure has been completely automated using In house IT software
- Positive impact of reforms on the examination procedures and processes including IT integration and continuous internal assessment on the examination management system

Examination Procedures and IT Integration

- Adopting semester patterns of examination with continuous evaluation system for all the departments and affiliated colleges.
- Digital evaluation system has been successfully implemented for UG, PG and Ph.D examinations.
- Inclusion of seminar project, assignment, seminar presentation etc. as components of evaluation.

The positive impact of the examination management system in the university as Follows:

- E-governance has been successfully implemented in the University. Online entry of Students Resumes, attendance and internal assessment a mark help to reduce the errors and saves lot of time.
- Online filling of examination /revaluation forms helps the students and university in saving time and in generating admission tickets.
- The university delivers question papers through online. The Online 15-30 minutes before start of exam Question paper delivery system (QPDS) helps in avoiding leakage of question papers and saves lot of stationery and physical movements.
- Examiners are appointed only from the panel of examiners. Panel of examiners for every subject is compiled prior to the examination on collecting the information from the institutions / departments, considering eligibility norms of the University.
- Examiners are provided with login and password for the digital evaluation.
- The answers scripts are coded to prevent disclosure of identity of students; thereby bias/malpractice of any kind is prevented.
- Scheme of evaluation along with solutions are made available to the examiners prior to the commencement of evaluation. Thus uniformity is maintained.
- Photo copies of answer scripts will be provided to the desired students on application.
- Evaluation for UG Courses includes the Moderation from senior faculty member of the respective course.

- Third Evaluation – If the difference in evaluation between first and second is more than 15 Marks, then automatically the script will be evaluated by third independent evaluator. The process that has helped the examination section to improve the functionality of the system and is listed below;
- Online evaluation marks transfer for result processing.
- Online M.Tech and Ph.D thesis evaluation.
- Online declaration of results.
- Photocopy of answer booklets delivered through email to the students.
- Online filling of student details, examination forms and hall tickets generation.
- Online revaluation application form filling.
- Online QPDS, digital evaluation, internal marks filling.

Internal assessment is done through conducting three tests in a semester. Average - best of two IA is considered for finalizing the marks.

- In between, seminars, group discussions, quizzes etc activities are also conducted.
 - The IA marks of the student are uploaded in database with EMS software.
