

MEMORANDUM OF UNDERSTANDING (MoU)

Between

iPEC Solutions Pvt. Ltd., Bengaluru

&

Department of Training & Placements

Lingaraj Appa Engineering College, Bidar 585 403 Karnataka

1. Preamble

This Memorandum of Understanding (MoU) is executed on this **30/12/2025** between **iPEC Solutions Pvt. Ltd.**, having its registered office at *Rajarajeshwari Nagar, Bengaluru, Karnataka*, hereinafter referred to as "**iPEC Solutions**", and **Lingaraj Appa Engineering College, Gornalli, Bidar 585 403** hereinafter referred to as "**the Institution.**"

Both parties agree to collaborate in the areas of **Emerging Technologies, Artificial Intelligence, and Data Science** to enhance students' employability and practical exposure through workshops, seminars, assessments, and skill development initiatives.

2. Purpose of the MoU

The purpose of this MoU is to establish a mutually beneficial collaboration between iPEC Solutions and the Institution to:

- Bridge the gap between academic learning and industry requirements.
 - Conduct Global Certification Programmes, technical workshops and seminars
 - Support placement readiness through AI-based assessments.
 - Develop students' skills in AI, Data Science, and Analytics.
 - Facilitate career guidance and personal development initiatives.
-

3. Areas of Collaboration.

a) Global Certification Programmes & Skill Development Programmes

- Offer **Short-Term and Long-Term Dual Certification Programmes in Latest Technologies** such as:
 - **Google** Certification Programmes
 - **Microsoft** Certification Programmes
 - **AWS** Certification Programmes Generative
- Conduct the training **jointly** with the Institution under **Co-branded Certification**.

b) Placement Support Our Platform Hire Talent

- Provide **AI-based interview simulation tools** and **mock interview sessions**.
- Conduct **Placement Readiness Bootcamps** (communication, aptitude, resume, LinkedIn training).
- Facilitate **internship and placement referrals** through iPEC's network.

c) AI Interview & Big 5 Personality Test

- Conduct **AI-based Interview Assessment** for students with instant feedback on communication, confidence, and technical readiness.
- Administer the **Big 5 Personality Test (OCEAN Model)** to identify student personality traits and suitable career paths.
- Share individual **Assessment Reports** with the college placement cell.

d) Workshops and Seminars

- Conduct regular **Hands-on Workshops & Seminars** in:
Generative AI, Explainable AI, Machine Learning, Data Analytics, Power BI, Python for Data Science, etc.
- Provide expert trainers, materials, and e-certificates to participants.

4. Responsibilities of iPEC Solutions

- Provide trainers, training materials, and necessary digital tools.
- Conduct assessments, evaluations, and issue joint certificates.

- Offer placement assistance and internship support to eligible students.
 - Share event reports and student performance data with the Institution.
-

5. Responsibilities of the Institution

- Facilitate infrastructure (lab/classroom setup) for workshops and sessions.
 - Mobilize students and faculty for participation.
 - Coordinate with iPEC Solutions for scheduling and logistics.
 - Endorse and promote joint activities within the Institution.
-

6. Duration and Renewal

This MoU shall remain valid for a period of **three (3) years** from the date of signing and may be renewed or extended upon mutual consent.

7. Financial Terms

The cost-sharing or programme fees shall be mutually decided per event or batch based on student strength and type of programme, ensuring affordability for students.

8. Confidentiality

Both parties agree to maintain confidentiality of shared academic and personal data of students and faculty, and to use it solely for collaborative educational purposes.

9. Termination

Either party may terminate this MoU by giving a **30-day written notice**. Any ongoing Programmes shall be completed in good faith before termination.

10. Dispute Resolution

In the event of any dispute arising under this MoU, both parties shall resolve the matter amicably through discussion and mutual understanding.

11. Signatories

This MoU is signed in two originals, each party retaining one copy.
