PRESIDENT
Vidya Bhandari

Poojya Dr. Sharnbaswappa Appa

8th Mahadasoha Peethadhipati, Sharnbasveshwar Samsthan, Kalaburagi.
President, Sharnbasveshwar Vidya Vardhak Sangha, Kalaburagi.
Chancellor, Sharanbasava University Kalaburagi.
Trustee ,Poojya Dr.Sharnbaswappa Appa Family Trust
Sharnbasveshwar Samsthan ,Kalaburagi

Sharanabasaveshwar Samstan and Mahadasoha Peethahas a glorious tradition and history of more than 200 years. It was established by the great saint of the 18th century Sri Sharanbasveshwar. So far nine Peethadipati have ascended the throne- the Peetha. They have rendered unprecedented and unparalleled service to humanity to emancipate and enlighten common masses in the social, religious, spiritual, and educational fields of this region. The glory of Peetha is carved out and reverberates in the hearts of the people of this region.

- Saint Sharanabasaveshwar was the pioneer and first Peethadipati from 1746-1822
- Poojya Dr. SharanabaswappaAppaji is the 8th Peethadhipati who ascended the Peetha in the year 1983
- In the last forty years, Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji has rendered yeoman service to uplift the moral, spiritual, religious, and educational standards of the common people of the Kalyan Karnataka region of India.
- Because of the giant leaps taken by visionary Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji, today, the Kalyan Karnataka region has become the Hub of educational institutions.

Early Life

Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji was born on 14.11.1935 to the devout couple Poojya Sri DoddappaAppaji, the 7th Peethadhipati, Sharnbasveshwar Mahadasoha Peetha, and Matoshree Godutai. He had a graceful and blissful childhood and has grown under the ambience of spirituality, God's consciousness, incarnation of divinity.

Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji inherited the legacy of Dasoham Bhava precept and practice from his ancestors. He rededicated himself to the cause of providing Anna dasoha (mass feeding)

and Jnana Dasoha (enlightenment and illumination of minds of youth through quality education) to devotees.

Marital life

Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji entered marital life by marrying Matoshree Komaladevi on 17.02.1957. By divine blessings, the pious couple gave birth to four children-daughters. Matoshree Komaladevi breathed her last on 23.03.1993 due to illness.. Later he got married to Mathoshree Dakshayini Avvaji on 30.11.1993. God blessed the couple with four children. The fourth son is Chi. Doddappa Appa. He succeeded to Peetha as the 9th Peethadhipati

Education

Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji had his initial education at Mahadasoha Mahamane in Gurukul tradition, school education at N. V. School, and obtained his Degree from Govt. college. He had his higher education M. A. Philosophy at Karnataka University Dharwad under his mentor Dr. D. C. Pawate, the then Vice-Chancellor of Karnataka University, Dharwad.

Unique Contribution to the field of Education

- At a young age, he took over the reins of Sharanabasveshwar Vidya Vardhak Sangha as its Secretary.
- Started Sharnbasveshwar Residential School on the model of the Public School system in 1971. It was the first of its kind in this region.
- Under his stewardship, it has now grown into a giant tree with five thousand students pursuing their education and shaping their careers.

- He was elected unanimously to the Hyderabad Karnataka Education Society, which is another significant education society in the region.
- Worked as a member of the Senate, Syndicate of Karnataka University, Dharwad.
- Worked as Chairman of the Infrastructure Development Committee, Gulbarga University, Gulbarga, thereby laying a solid foundation for the Gulbarga University campus way back in 1980.
- He undertook women's empowerment through women's education with missionary zeal and established many schools, colleges, Engineering and Technical institutes exclusively for women.
- He is a patron of art and literature and set up the Dept. of M.A. Fine Arts in 1975. It was the first of its kind in South India, run without grants from the government.
- To provide a boost to tourism, Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji started the Master of Tourism Department in 2010, which is the pioneer institute in North Karnataka.
- To crown the glory of his missionary zeal, he started Sharnbasva University under the Karnataka Private University Act in 2017.
- Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji is at the ripe age of 89 but is still dynamic in providing vibrant and able leadership to a group of educational institutions established by him. He is at the helm of affairs by shouldering the responsibilities of Chancellor of Sharnbasva University, as it is his brainchild.
- As a Peethadhipati, he provides spiritual and emotional solace to lakhs of devotees who throng as pilgrims to the temple of Saint Sharanbasva and Dasoha Mahamane.
- At present, thirty thousand students are studying in educational institutes established and managed by Appaji. More than two thousand teaching and support staff are working in these institutes.

Philanthropist

Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji is a renowned humanitarian and philanthropist. Every day hundreds of devotees and common people meet him and seek his Darshan. They walk in with their various kinds of problems and prospects – emotional, intellectual, familial, financial, religious, spiritual, mystical, social, physical ailments, and so on. Appaji interacts with each one of them. He provides a viable, amicable solution and settlement to the most intrinsic issues faced by people. He is such a generous man, who wants youth to shape their life

during students' days. Therefore, he is a pioneer and frontrunner to extend Anna Dasoha and Jnana Dasohato many people in this region.

Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji has a missionary zeal to disseminate the noble ideas and ideals of Shivasharanas of the 12th century all over the world. To accomplish the task, he met the speaker of Lokasabha, the Prime Minister, and the President and convinced the relevance of the vachana literature of Basavadi Shivasharanas. He succeeded in installing an 18-foot bronze statue of Basaveshwar at the 9th gate of Parliament Bhavan on April 28, 2003.

VidyaBhandariPoojya Dr. SharanabasawappaAppaji is an ardent lover of Kannada language and literature. He had shouldered the mammoth reasonability of organising the 59th Akhil Bharat Sahitya Sammelana during the year 1989 which was held on the campus and playground of Sharanabasaveshwara Vidya Vardhak Sangha. The hospitality extended by Appaji was very much admired and appreciated by office bearers of Kannada Sahitya Parishat and luminaries of the literary world.

- Vidya Bhandari Poojya Dr. Sharanabasawappa Appaji was nominated unanimously as President of the Akhil Bharat Veerashaiva Sammelan held at Belagavi.
- Appaji is a patron of literary artists, besides being himself a great poet of eminence. The poetic talent germinated in his tender age. All India Radio Hyderabad organised a competition on composing poems for children in 1948. His Poem "Pencil" was considered the best poem by the jury. During his student life, he has written many scholarly works on Veerashaiva philosophy. Of them, his "Shatsthala Siddhanta" is quite noteworthy. He has composed "Dasoha Sutras" on the model of Brahma sutras of Sanskrit literature. It is considered as a unique genre of poetry. Originally, they were written in the Kannada language. They were set to music by the great music director of South India Vijaya Raghavan, and sung by the famous playback singer Vani Jayaram. They were recorded into cassettes and CDs and became household songs among devotees. After considering their merit, the well-known Kannada writer and scholar L. Basavaraju and American poetess Judith Kroll in collaboration translated them into English. Besides the English

version of Dasoha Sutras, they were translated into Hindi, Marathi, Telugu, Tamil, and Urdu languages. Being a poet and Philanthropist, he is a fountainhead of inspiration to many budding poets and writers hence he could publish their literary works from his organisation.

• **Many luminaries have visited MahadasohaPeetha of Appaji. They have expressed their heartfelt opinion and comments. Here are a few selected extracts**

1. *"The Principle of Sharnbasveshwar on which institutions are built and operated is that "No religion is greater than service, and Service to humanity is service to God." It is a beautiful thing. You serve human beings. You are serving God. It is very inspiring indeed."*

- Dr. A.P.J. Abdul Kalam,
Former President of India

2. *Dear Sir, Thank you for the book on Dasoha Sutra and the views on communal harmony by Poojya Sharanabasavappa Appa. Let us pray and do all we can to protect peace and unity in our country. I pray that your efforts to spread the message of His Holiness Sharanabasavappa Appa may be blessed by God and bear fruit.*

- MOTHER TERESA
Noble Laureate

3. *"I find very rare qualities in PoojyaSharanabasavappaAppa who possesses the eternal quality of cheerfulness and disposition... He takes on the onerous responsibilities of leading mass, but he never feels the burden of it. He gets things done with ease. Sobriety and spontaneity are his prime characteristics. A kind of peculiar radiation is sensed in his personality... Others always find peace and tranquillity in his company no matter in what distress and despair. One approaches him and seeks his blessings. The beauty of his attitude is that he never feels mundane and is not particularly attached to anything in his life.*

-Dr. S. Raju
Director, Rau's IAS Guidance Bureau, New Delhi.

4. *"Shri Appaji puts this thought beautifully. See the spirit of dasoha in all that is around you. That is the universal religion. There is universality in service. Service is not exclusivist. It is not confined to one people, one race, one class or one religion. He spoke to and for all mankind. And that is the core of this sutra. Dasoha embraces other fields like knowledge. To know is also to serve.*

Without knowing it, perhaps, Gandhiji was expressing the spirit of dasoha. Whether it is Dr. Raman, Mahatma Gandhiji. Dr. Radhakrishnan, and Swami Vivekananda, they have their own interpretations. But in all cases, ShriAppaji's exhortation holds good. Listen to them all. But go beyond their words to the inner core of their thought, there lies dasoha."

- Dr. M.V. Kamath,
Former Chairman, PrasaraBharathi, New Delhi

Awards and Honours

1. In 1974 Dr. Appaji was selected as **HKE's President** unopposed.
2. In 1988 Govt. of Karnataka awarded the **"Karnataka Rajyotsava" award** to Dr. Appaji
3. In 1991 Dr. Appaji was elected as President for **"Akhila Bharatha Veerashaiva Mahasabha"**
4. In 1999 Dr. Appaji was awarded **Honorary Doctorate from Gulbarga University, Kalaburagi.**
5. Dr. Appaji was nominated as a **Syndicate and Senate member** for Karnataka University, Dharwad for several years.
6. Dr. Appaji was awarded as **"Vidhya Bhandari"** by citizens of Hyderabad Karnataka region and HKE's, Kalaburagi.
7. Dr. Appaji was awarded a **Doctor of Literature (D. Litt.)** by Gulbarga University, Gulbarga in the year 1992.
8. Dr. Appaji was awarded **"Punyashlok Shiva - ParvatiAdyatmik"** by Gokhale Education Society, Nasik on 4th March 2002
9. Siromani Gurudwara Prabhanaik Committee **(SGPC) honoured Dr. Appaji at Golden Temple, Amritsar** on 22nd March 2002.
10. Dr. Appaji was awarded **"Kalaposhaka"** by Lalithakala Academy, Govt. of Karnataka, Bangalore
11. Dr. Appaji was honoured by **"Gouda Prasasthi"** from Shree Shubhas Chandra PatilSmrka Jana Kalyana trust, Palla - 01-01-2024
12. Dr. Appaji was honoured by **"Shree Channarenuka Basava Prasasthi"** from Harkod Matha, Param Poojya Shree Sha. Bhra. Dr. Channaveera Shivacharya - 02-10-2022.
13. Several prestigious other organizations too have honoured him recognizing his yeomen services to the fields of education, literature, culture and spirituality.

CHAIRPERSON

Poojya Matoshree Dr. Dakshayini S. Appa

Nominee of Sangha

Sharnbasveshwar Vidya Vardhak Sangha Member of BOG,
Chairperson Sharnbasveshwar Vidya Vardhak Sangha, Kalaburagi,
Trustee ,Poojya Dr. Sharnbaswappa Appa Family Trust
Sharnbasveshwar Samsthan ,Kalaburagi.

The SharnabasaveshwarSamasthan, which has redefined the age-old tradition of Dasoha by elevating it into JnanaDasoha—the noble act of dispensing knowledge—continues to shine as a beacon of educational excellence. From Montessori to postgraduate studies, the Samasthan, through the SharnabasaveshwarVidyaVardhakaSangha and Sharnbasva University, has consistently set new benchmarks in delivering quality education across all levels.

At the heart of this transformative mission stands Poojya Matoshree Dr. Dakshayini S. Appa, the esteemed Chairperson of the SharnabasaveshwarVidyaVardhakaSangha and Member of the Board of Governors of Sharnbasva University. A visionary leader and devoted torchbearer of the Dasoha culture, Matoshree Dr. DakshayiniAvvaji has been lauded for her unwavering dedication to education and social service with multiple prestigious honors.

- In September 2020, Davangere University recognized her contributions by conferring an Honorary Doctorate, officially presented by the Vice Chancellor Dr. Sharanappa V. Halse during a grand ceremony at DasohaMahamane in Kalaburagi on 26th December 2020.
- Continuing her inspiring journey, she was awarded yet another Honorary Doctorate by Akkamahadevi Women's University in March 2024, acknowledging her relentless commitment to the upliftment of society, especially in the field of women's education.

- Most recently, on 27th March 2025, Karnataka State Open University conferred the Honorary Doctorate of Literature upon Matoshree Dr. DakshayiniAvvaji. This recognition was presented by His Excellency ShriThawarchandGehlot, Hon'ble Governor of Karnataka and Chancellor of the University, during a special convocation ceremony held in Mysore.

These accolades are a testament not only to her remarkable academic and administrative leadership but also to her compassionate humanitarian work. Her stewardship of the GauShala and her initiative to provide daily meals to numerous individuals reflect the true essence of Dasoha—selfless service.

Through her life's work, PoojyaMatoshree Dr. Dakshayini S. Appa continues to embody the spirit of compassion, wisdom, and transformative leadership, carrying forward the revered legacy of the SharnabasaveshwarSamasthan.

THE HEIR APPARENT
Pooja Chirajeevi Doddappa S Appa
 9th Peetadhipati

Sharnbasveshwar Samstana, Kalburgi
 Trustee ,Pooja Dr. Sharnbaswappa Appa Family Trust
 Sharnbasveshwar Samsthan ,Kalaburagi.

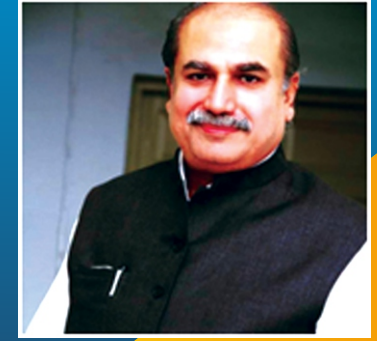

Pooja Chiranjeevi Doddappa Appa, born on November 1, 2017, becomes the youngest among all the Peethadhipatis of the Sharanabasaveshwar Samsthan established 200 years ago in the 19th century by shree Sharanabasaveshwar, who introduced the concept of Dasoha of feeding the needy and poor, which is followed even today in the Sharanabasaveshwar Shrine .

SECRETARY

Shri Basavaraj Deshmukh

Secretary,
 LingarajAppa Engineering College, Bidar
 Secretary,
 Sharnbasweshwar Vidya Vardhak
 Sangha, Kalaburagi.

Well Educated & a Good Administrator, a noble helping hand who strives all the time for the wellbeing of others, a kind human being who motivates and inspires with his attitude, a leader by birth who believe in Equality.

Our Secretary is a visionary leader dedicated to nurturing academic growth and holistic development. With his guidance, we uphold values of integrity, innovation, and inclusivity , ensuring a nurturing environment for all. Shri Baswaraj Deshmukh Sir, born in the sacred Dasoha Mahamane of Sharnbasveshwar Samsthana, Kalaburagi, is the son of Matoshree Channabasamma and Sri Sidramappa Deshmukh, and grandson of Lingaikya Pooja Doddappa Appaji and Matoshree Godutai Avvaji. A native of Wadgaon (Aurad B), he is a respected leader honored by Shri Virakta math of Sonal. With over 35 years of public service, he has held numerous key positions: President, PKPS Bank, Wadgaon (since 1992, unanimously re-elected) President, Taluka Panchayat Aurad (1999–2004) Member, Ashraya Committee (1995), BSNL Advisory Committee (2010–14), KPCC, and Block Congress President (2005–2010) Under his leadership: Served as Secretary, Lingaraj Appa Engineering College, Bidar (since 2011) Serving as Secretary of Sharnbasweshwar Vidya Vardhaka Sangha, Kalaburagi (since 2015) Headed the founding of Sharnbasva University (2011–2017), inaugurated on 29th July 2017—his birthday He also founded a multi-specialty hospital in Bidar (2008), and has represented the institution globally—visiting Malaysia, Thailand, Qatar, and Dubai.

Honors and Recognition:

Shri NiranjanaPrabhu Award (2024), Shiva SampadPrashasti, Special invitee to the 11th Kannada Cultural Meet, Dubai (2025) A visionary in education, culture, and public service, Shri Baswaraj Deshmukh Sir continues to lead with dedication and humility, under the divine guidance of Pooja Dr. Appaji.

Dr. Vinita Patil
Lingaraj Appa Engineering College,
Bidar

At the heart of every great institution lies a visionary leader whose passion and purpose guide its path to excellence. At LingarajAppa Engineering College, that leader is Dr. Vinita Patil. Since taking charge as Principal, Madam has played a pivotal role in redefining the academic landscape of the college. With a strong foundation in engineering education and a forward-thinking approach, she has brought a renewed energy to the institution—bridging tradition with innovation, and academic rigor with real-world relevance.

Under her leadership, the college has witnessed a remarkable transformation—strengthening academic frameworks, fostering industry collaborations, and enhancing opportunities for student research and innovation. Her emphasis on holistic development, ethical values, and inclusive growth has left a lasting impression on both faculty and students. Madam's unwavering commitment to nurturing talent, encouraging innovation, and building a culture of excellence continues to inspire everyone at LingarajAppa Engineering College. Her vision is not just to educate engineers, but to shape responsible leaders who contribute meaningfully to society.

EDITORS NOTE

The function of education is to teach one to think intensively and to think critically. Intelligence plus character — that is the goal of true education.”
– Martin Luther King Jr.

It gives me great pleasure to present the Prospectus -2025 of our college. These pages reflect our institution’s legacy, commitment to excellence, and vision for shaping future leaders. Rooted in strong values, we strive to create an environment that fosters learning, innovation, and growth.

This Prospectus not only outlines our academic programs and achievements but also showcases the creativity and contributions of our faculty and students. It stands as a testament to our progress and aspirations.

I extend heartfelt thanks to the Secretary, Principal, and Advisory Committee for their unwavering support and guidance. We hope this publication offers valuable insight into the vibrant journey of our institution.

Prof. Srinivas D.
Assistant Professor,
Dept. of Mathematics
LAEC, Bidar.

ABOUT SANGHA

The SharnbasveshwarVidyaVardhakSangha was founded in 1901 by the 6th peethadhipati, made a humble, yet a noble beginning with its first school housed in Mahadasoha - Mahamane the spiritual abode. Then onwards it has never looked back and has grown into leaps and bounds. Dedicating itself to the pursuit of service and excellence has grown into a mammoth educational centre imparting science, commerce, management, arts, engineering & technical education to nearly 20,000 students from LKG to PG in 40 institutions spending nearly 100 crores in 100 years of its meaningful and eventful existence.

Illustrious Sons of India and dignitaries including the father of nation, Mahatma Gandhi down to Dr. APJ Abdul Kalam, the former president of India have visited our Sangha. Sharnbasveshwar Vidya Vardhak Sangha was founded in 1903 by Late Poojya Doddappa Appa, the 7th Peethadhipati of Sharnbasveshwar Maha Dasoha Samsthan, Gulbarga. It made a humble, yet a noble beginning with its first school housed in Mahadasoha Mahamane - the spiritual abode where Lord Sharnbasveshwar lived. Since then, it has never looked back and has grown into leaps and bounds, dedicating itself to the pursuit of service and excellence. In the course of time, it has grown into a mammoth educational centre imparting Science, Commerce, Arts, Management, Vocational, Engineering and Technical education to nearly Twenty Thousand Students from LKG to PG in forty institutions spending nearly hundred crore in the span of hundred years of its meaningful and eventful existence.

Many dignitaries have visited our institution - including the father of our nation Mahatma Gandhi down to Dr. A. P. J. Abdul kalam, the Former President of India. They have paid rich tributes to our Sangha as it has been rendering yeomen service by providing quality education to the people of backward region.

There have been many innovations in teaching methodology in the recent past, especially in higher education. But the essence of philosophy of our institution has remained as it was enunciated by Lord Sharnbasveshwar.

Students may acquire great knowledge which may or may not be used by them in their life but the kind of education imparted in our institution lasts forever, which is more rooted in encouraging our students to be self-reliant, inquisitive and positive thinking governed by great tolerance. The education that we impart gives the students enormous scope for independent thinking and absorbing the differences they confront in the society. The knowledge acquired without subjecting it to enquiry has no relevance. Hence we infuse the spirit of enquiry into the minds of young students. Self-discipline and independent thinking are the two corner stones of our institution on which the life of students is built. The faculty members make all-out efforts to stimulate intellectual honesty among students. India is a land of composite culture, naturally the strength of our campus is multi-cultures as there are students coming from different walks of life and they are unified and united in our premises. This promotes better understanding among the students who come from different backgrounds. We make the students learn how to cope-up with varied styles and thinking, thereby motivate them to work together for the betterment of society. We make tireless efforts to make our students responsible citizens of the world.

ABOUT COLLEGE

LingarajAppa Engineering College (LAEC), established in 2011 under the esteemed SharnbasveshwarVidyaVardhakSangha, Kalaburagi, was founded by Poojya Dr. Sharnbaswappa Appaji, a visionary leader and educationist. The Sangha, with a glorious history of over a century, has been a beacon of education, fostering academic excellence and moral values across Karnataka and beyond. Situated in the tranquil surroundings of Gornalli, Bidar (Karnataka), LAEC offers an ideal environment for academic pursuits. The institution is approved by AICTE and is affiliated to Visvesvaraya Technological University (VTU), Belagavi. Since its inception, the college has been committed to delivering quality technical education and holistic development.

COURSES OFFERED

LAEC offers the following

Undergraduate (B.E.) programs:

• Artificial Intelligence and Machine Learning (AIML)	60
• Computer Science and Engineering	120
• Electronics and Communication Engineering	60
• Electrical and Electronics Engineering	60
• Civil Engineering	30
• Mechanical Engineering	30

Postgraduate programs in:

• Master of Business Administration (MBA) in (HR/Finance/Marketing/Business Analytics)	90
• M.Tech in Computer Science & Engineering	16
• M.Tech in VLSI Design & Embedded Systems	16
• M.Tech in Machine Design	16

The college also offers **Research Centre**

- Electronics and Communication Engineering
- Master of Business Administration

New Course Introduction – AIML (2025)

We are proud to announce that from the academic year 2025, LAEC has received AICTE approval to launch a new and future-focused B.E. program in Artificial Intelligence and Machine Learning (AIML) with 60 intake. This initiative aligns with our vision of staying ahead in the rapidly evolving field of technology and equipping students with the skills needed for tomorrow's industries.

With this addition, the total intake capacity of engineering programs has increased to 360 seats. This new program is expected to further enhance our academic offerings and attract students passionate about cutting-edge innovations in AI and ML.

And MBA intake increased from 60 to 90

INFRASTRUCTURE & FACILITIES

The institution boasts state-of-the-art infrastructure and well-equipped laboratories to support academic and research activities. The serene 13-acre campus provides a peaceful and pollution-free environment conducive to learning and personal growth.

Facilities include:

- Central Library with a vast collection of Engineering and Management books as per VTU syllabus.
- Wi-Fi enabled campus.
- 24 hours power facility
- ICT enabled Classrooms
- Pre-placement Training and Placement in top-notch companies
- Guest lectures and industrial interactions with experts from the industry
- Regular organization of Workshops, Faculty Development Programs (FDPs), and Seminars on emerging technologies
- Indoor and Outdoor Sports facilities
- Cheapest and affordable hostels separately for the girls and boys.
- Staff quarters.
- Transportation facilities.

GOVERNING COUNCIL

- * POOJYA Dr. SHARNBASWAPPA APPAJI President
- * POOJYA MATOSHRI Dr. DAKSHAYANIS APPA Vice-President
- * Shri. BASAVARAJ DESHMUKH Secretary
- * Shri. SHARNBASWAPPA DESHMUKH Director
- * Dr. UMATAI DESHMUKH Director
- * Dr. GANGAMBIKA NISTY Member
- * Shri. B.G. PATIL Member
- * Shri. UMAKANTH G. NAGMARPALLI Member
- * Dr. VINITA PATIL Principal
- * Dr. VIVEK JALADI Faculty Nominee

HOD's OF DIFFERENT BRANCHES

- 1) Dr. Bhadrappa S Haralayya HOD of MBA
- 2) Dr. Vivek Jaladi, HOD of CSE
- 3) Dr. Sharanbasappa Shetkar, HOD of ECE
- 4) Prof. Kirankumar Mulgi, HOD of Civil
- 5) Dr. Vijayanand Kapte, HOD of Mechanical
- 6) Prof. Sangappa R, HOD of EEE
- 7) Prof. Anilkumar D. HOD of H&S
- 8) Prof. Sandeep Mashetty, PG Head MMD
- 9) Prof. Gururaj Nase, PG Head CSE
- 10) Dr. Basavalinga Swamy H., PG Head VLSI & Esd

VISION

Institution works on the Dasoha Philosophy of Education "Teaching and learning not only for the sake of livelihood but also for the welfare of humanity, thinking that serving humanity is serving God, is Kayak and Dasoha Philosophy of Education"

Culture gives while Vulture Snatches, Vulture is Animality and Culture is Humanity.

Teaching and Learning for the Sake of Livelihood is an Ordinary Life.

MISSION

- * Independent thinking: It is adopted by Discourse method
- * Independent writing: We give Daily assignments and evaluate and give it back to them next day. Writing makes man perfect
- * Independent speaking: It is adopted by Debating and Discourse method
- * Independent living: We teach value based Education (Discipline, Sincerity and hard- work) to face the challenges in the life to serve not only his family but also whole Nation- Mankind

OBJECTIVES

To achieve educational goals as stated in the vision through the mission statement which depicts the distinctive characteristics of the institution.

To make teaching and learning process an enjoyable pursuit for the students and teachers.

LOCATION

LINGARAJ APPA ENGINEERING COLLEGE is Located in the Gornalli of Bidar city,

LAEC is a Private Un-Aided Institution, functioning Under Sharnbasweshwar Vidya Vardhak Sangha, Gulbarga.

* Approved By AICTE New Delhi,

* Affiliated To Visvesvaraya Technological University, Belgaum

ACADEMIC STAFF:

Overall Staff Student Ratio for UG is-----1:15.

Overall Staff Student Ratio for PG is-----1:4.

AMENITIES:

- * The college campus comprises of a playground
- * Provision for Indoor games is available Student activity center is available
- * Canteen facility.
- * Parking place
- * Clean and Hygienic toilet rooms.
- * Ladies common room.
- * Xerox machines are provided for the students.
- * Telephone facility is available.
- * The campus also offers medical facilities

INFRASTRUCTURE DETAILS

CLASSROOMS

All lecture halls are well ventilated and equipped with state of the art teaching learning materials.

SEMINAR HALL

The college has two well-furnished seminar hall with the modern facilities. The hall is used frequently got organizing seminars, group discussion and guest lectures.

CAFETERIA

An all-day cafeteria ensures that the students and faculty are provided with simple nutritious homely meals and snacks at an affordable cost. This keeps the worry of taking Tiffin boxes to the college from home in the early hours of the day.

PRASADA NILAYA

Our college is proud to introduce PRASADA NILAYA, a program aimed at providing nutritious meals to all students at minimal cost. Inspired by the noble principles of DASOHA MAHAMANE, Kalaburagi's ANNA DASOHA sutra, this initiative embodies our commitment to fostering a culture of inclusivity and well-being within our campus community.

ANNA DASOHA is more than just a meal program; it is a testament to our commitment to the welfare of our students and the values we hold dear as an educational institution. Through DASOHA, we not only nourish bodies but also nurture communities, embodying the timeless spirit of giving and compassion that lies at the heart of Indian culture.

LIBRARY

LAEC has a splendid reference and leading library with thousands of books, reports, journals, periodicals and CDs. The library has subscribed to number of online journals and repositories, which the students can make use of to keep themselves updated with various developments in the field of business managements and technology.

IT INFRASTRUCTURE AND RESOURCE

The college has a robust IT infrastructure. There is a well-equipped computer labs with internet connection through Local Area Networking (LAN).

ACCOMMODATION

LAEC, Bidar assists in accommodation for outstation students. The hostel facilities are available in close proximity to the campus and students are charged affordable fee.

ORIENTATION, TEACHING AND LEARNING METHODOLOGY

The teaching sessions are divided into theory classes and assignments and practicals.

LAEC attaches utmost importance to the industrial visit for its students. With an aim to go beyond academics, these visits are arranged to develop the insights of the students-attaining practical knowledge and their theoretical applications thereof.

Industrial visit is considered as one of the most tactical methods of teaching. The main reason behind this "it lets students to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view.

We take a group of students for a guided tour into the premises of various industries, providing them information about the background of the companies and their current position in the global business scenario. The aim of such visit it to

- * Exposure to Actual Working Conditions
- * Make Students Aware with Industry Practices
- * Increase Practical Awareness of various Industrial Sectors
- * Acquaint Students with Interesting Facts and Breath-Taking Technologies

MBA LEADERSHIP MENTOR PROGRAM

Each year the LAEC actively recruits senior business people, to offer their time as mentors to MBA students. The goal of the MBA Leadership Mentor program is to provide opportunities for students to communicate and develop relationships with experienced business people to develop their leadership skills, gain insight on industries or functions, learn about corporate strategy and trends, and see how executives meet different challenges.

MBA CAREER DEVELOPMENT TECHNIQUES

In order to become successful business men and top management professionals, various techniques are adopted by the college to prepare the students. Most important among these techniques are as follows.

SELF-ASSESSMENT

Here the students complete self-assessment inventories and talk about their skills and career interests.

RESUME WRITING

A very critical feature of enhancing the chances of being selected by the prospective employer is a good resume. The resume should reflect all the positive features of a candidate in a very appealing way. The employer will be looking through the presentation of the resume while short-listing of the candidates to be called for interview. Thus, only a good resume will get an interview call for you. Hence, the college is paying attention to prepare the students on writing a good resume. We organize special sessions for our students in this subject.

GROUP DISCUSSION

Group Discussion is a major tool of selection process in the corporate world today. This gives an opportunity for the employer to assess multiple candidates at the same time saving a lot of time. Further the Group discussion facilitates in identifying the leadership qualities of the candidates. The successful group discussion shows the emergence of natural leader in the group.

INTERVIEW

Various interview skills like, Telephonic Interview, Face to Face Interview, Stress interview are discussed along with guidance and tips on communication skills, personality development, positive attitude development, presentation skills and etiquette.

APTITUDE TEST

Issues faced by the students with regard to various topics and the approach to each of them are discussed in detail and counseling on specific dimensions of test is provided. Further, sample aptitude tests are carried out in order to appraise the current status of the students and help them to improve further.

OTHER SKILLS

Effective ideas and guidelines on role play, body language and case study analysis are dealt with.

CAREER IMPACT

The college prepares its students beyond attaining a management degree. It prepares you for a high flying career as a top corporate leader. At LAEC, we create cognizant, dynamic, confident and creative business leaders who stand different from others in their professional as well as personal life.

TRAINING AND PLACEMENT CELL

LingarajAppa Engineering College (LAEC) takes pride in having a proactive Training and Placement Cell (TP Cell) since its inception. The cell plays a pivotal role in bridging the gap between academia and industry, with dedicated department-wise coordinators driving placement activities.

Key Highlights:

- Regular training programs and skill enhancement sessions are conducted every semester to ensure students are industry-ready from day one.
- The TP Cell has facilitated placements with reputed organizations such as IBM, Infosys, Accenture, Triveni Turbines, Diffusion Engineers, TribroSoftech, and many more.
- Students are eligible for two job opportunities, with the second offer being considered final, aiming to maximize placement success.

Initiatives & Activities:

- Close collaboration with industry for curriculum inputs, guest lectures, and internship opportunities.
- Joint training sessions with Appa Institute of Management to boost soft skills and employability.
- Industry visits to expose students to real-time business environments and management practices.
- Workshops and seminars by industry experts and consultants for career readiness.

The TP Cell is committed to nurturing careers by continuously evolving with industry trends and creating a vibrant platform for student success.

Farewell Party-2024

Articles by our Students

Me Hours

In my hours, the first important thing is time management.

The Importance of Self-Care:

- It's easy to get caught up in the hustle & bustle of daily life.
- Between work, family & social obligations, it's common to forget to take care of one of the most important people
- Yourself that's where "me time" comes in.
- In "Me-time" refers to that you set aside for yourself, away from the demands & distractions of daily life.
- It is an opportunity to relax, recharge & focus on your own needs & desires.

Benefits of Me-time:

- It reduces stress & anxiety, by taking time for yourself, you can help calm your mind & reduce feelings.
- Improves mental health; it can also help you prioritize your mental well-being & engage in activities that bring you joy.
- Taking breaks & practicing self-care can actually improve your focus & productivity in the long run.
- Enhances creativity, me-time can give you space to explore your creativity.

Me-time Activities:

- In me-time, you can read books because to get lost in book & explore new genres & authors.
 - In me-time, you can do exercise, meditation & mindfulness activities.
 - By practicing these, brings joy whether is walking or dancing.
 - By Practice mindfulness or yoga to calm your mind.
 - Explore hobbies like painting, music, or cooking.
 - The Value of Me-time
 - In Me-time is about prioritizing self-care & improve by taking time for yourself.
 - You can reduce stress, improve productivity & enhance.
 - So, always remember, put yourself first & rest all later.
 - So take a deep breath, grab a cup of coffee & make time for yourself.
- You deserve it!--

“CREATIVE THINKING”

Creative Thinking is the ability to come up with unique, original solutions. Also known as Creative Problem-Solving. Creative Thinking is a valuable and marketable soft skill in a wide variety of careers.

Creative Thinking: It is all about developing innovative solutions to problems.

Creative thinkers brainstorm not only a large number of ideas but also a variety and range of them. In the workplace, creative thinking is highly valuable because employers look to hire innovative employees.

Creative thinking in the workplace:

- Holding an interactive brainstorming to gather initial thoughts on a project.
- Evaluating a current processes and offering suggestions on how to improve it.
- Researching other ways to market a product and leading experiments on new marketing channels.
- Developing an innovative way to reach out to prospective clients.

Examples-

- Analytical Skills — Data analysis, Research
- Innovation — Brainstorming, Imagining
- Collaboration — Empathy, Feedback, Inclusivity

Importance:

- Valuable to employers.
- Employers need employees who can develop and experiment with new ideas.
- Ability to navigate new challenges quickly.

Including Creative Thinking Skills in a Job Application-

- On Resume
- On Your Professional Profiles.
- In the Interview.

Conclusion-

Creative thinking is important in our everyday life. Hence, one can conclude that while creative thinking is generative in Purpose, creative thinking is analytical in Purpose. So, it becomes important to think in creative manner.

“A Healthy Life is a Happy Life”

A journey to wellness:

In today's fast-paced world, it's easy to get caught up in the hustle & bustle of daily life & neglect our most precious asset: our health.

However, adopting a healthy lifestyle is crucial for maintaining our physical, mental & emotional well-being.

Why healthy living matters:

Living a healthy life is not just about avoiding illness. It's about cultivating a sense of vitality and energy.

- Boost your energy level & mental clarity
- Enhance your physical strength & flexibility.
- Improve your mood & reduce stress.
- Increase your productivity & focus.
- Reduce your risk of chronic diseases.

“Because your health is your wealth.”

Simple yet powerful habits for a Healthy Life:

- Hydrate: Drink at least 8-10 glasses of water a day to flush out toxins & keep your skin glowing.
- Eat nutritious food: Focus on whole, unprocessed foods like fruits, vegetables, whole grains & healthy fats.
- Move your body: Aim for at least 20 minutes of exercise such as walking or cycling.
- Sleep tight: Prioritize 7-8 hours of sleep each night to help your body repair & recharge.
- Practice Mindfulness: Take a few minutes each day to focus on your mind like meditation & yoga.
- Connect with Nature: Spend time outdoors in parks or hiking trails.

Making Healthy Habits Stick:

Here are some ways to make healthy habits last:

- Start small.
- Create a routine.
- Find accountability.
- Celebrate milestones.

Conclusion:

"Embracing a healthy lifestyle is a journey, not a destination."

& most important Call to Action:

So, what are you waiting for? Take the first step toward a healthier, happier life. Start by adding one or two healthy habits into your daily routine & watch how your life transforms.

“POSITIVITY”

Positivity is one of the most important things in life. Positivity is the grace of the mind and vibrations. Your aim is to feel better by vibrating higher. There are many lifestyle habits that will help you do this and bring you closer to a more positive or joyful state.

“Higher State of Vibration will help you feel good, which means you can manifest more good things in your life.”

Surround yourself with positive people:

When you're not feeling too good, try being around people who are. They're vibrating higher than you. And there's a good chance that you can absorb some of their energy just as the green algae *Chlamydomonas reinhardtii* has been found by researchers to draw energy from others, my experience suggests that there's great potential for humans to do something very similar.

“Surround yourself with people who vibrate at higher frequencies. Be around those who are feeling better than you are. Energy is contagious.”

Change your body language:

“If you can act like someone who feels good, your internal state will change and your vibration will rise.”

It's hard to crack a smile when things are going wrong. But a 2003 study by Simone Schnall and David Laird showed that if you fake a smile, you can actually trick your brain into thinking you're happy by releasing feel-good hormones.

Take Some Time Out:

Don't underestimate the importance of taking time to relax. Sometimes we get so caught up in our lives & what's going on around us, that we become overwhelmed and tensed.

The simple solution is to unwind and keep some distance from the things that are stressing you out.

“Sometimes you have to unplug yourself from the world for a moment, so you can reset yourself.”

Find Some Inspiration:

Inspiration keeps us driven and optimistic. Nowadays, there are so many ways that we can get inspired—self-help books, newspapers or empowering novels, digital sounds of inspiration such as podcasts. Don't underestimate the power of a great inspirational movie, either.

Sort out your nutrition and water:

“What you consume, consumes you; what consumes you, controls your life.”

Everything you eat and drink is important, as it affects your vibration, positivity, and reality. Think about it: how can you feel good if you don't ingest good foods and good fluids?

Meditate:

“Once I committed myself to 30 consecutive days of focused meditation, I began to feel difference.”

Meditation eases the resistance that your ego creates. This brings a sense of calm, clarity and enhances your patience that helps you to be positive

“Stress Management”

Stress is something which everyone experiences. In today's fast-paced world, stress has become a common challenge that affects people of all ages.

Stress is a natural response of the body to challenges or demands. It triggers the "fight or flight" response, producing a range of physical and emotional reactions.

Stress: A state of mental or emotional strain resulting from adverse or demanding circumstances.

Causes of Stress-

Understanding the causes of stress is vital for effective management.

Some common causes include:

- Academic Pressure
- Family Issues
- Social Comparisons
- Work Commitments

Stress Management Techniques-

Managing stress effectively involves a combination of strategies. Popular techniques include:

- Exercise
- Time Management
- Think positive
- Listen to music
- Proper nutrition
- Meditation
- Social Support
- Read books
- Spending time with nature
- Relaxation techniques

Incorporating these techniques into daily life can create a more balanced and less stressful environment.

Role of Nutrition in Stress Management-

A well-balanced diet plays an essential role in managing stress.

Nuts: Almonds and walnuts can stabilize blood sugar levels, preventing irritability.

Leafy Greens: Spinach and kale are packed with vitamins that help reduce anxiety levels.

Making Stress Management a Habit-

Stress management is not just about applying techniques during stressful situations. It should be a part of your everyday routine.

Create a routine. , Set aside time for relaxation. , Practice gratitude.

Conclusion-

Stress management is a vital skill in today's busy world. By understanding the nature of stress and its causes, you can equip yourself with right techniques to manage it better. Practicing a healthy lifestyle, incorporating stress reduction activities.

So, take the time to explore these strategies, make adjustments where necessary, & remember a balanced life is a less stressful life.

OUR HERITAGE

The Sangha is named after Mahadasohi Sharnbasveshwar a mystic saint, a seer with a vision, a saviour of mankind and a divine universal teacher. He was one of the greatest humanitarian rarely found in the spiritual history of mankind. He attained divinity by living a way of life called Dasoha. His Dasoha philosophy is based on the precept - "No religion is greater than service; service to humanity is service to God".

Dedicating his life to the service of humanity, Sri Sharnbasveshwar followed Dasoha in all aspects - in healing the moral and spiritual wounds of the toiling and moiling masses, in feeding the poor, wiping the orphan's tears, soothing and guiding the sinner, serving the sick and curing the diseased by his extraordinary blissful spiritual blessings. Sri Sharnbasveshwar demonstrated to the world, both by precept and practice the external values and virtues of life, its essential goodness and oneness.
