

LINGARAJ APPA ENGINEERING COLLEGE, BIDAR

Gornalli, Bidar – 585403, Karnataka – India

(AICTE Approved & VTU Affiliated)

Governing Council Meeting – 33

Date: 7.06.2026

The Governing body meeting of Lingaraj Appa Engineering College, Bidar, held on 7/06/2026 Sunday at 11.30 AM

Agenda:

1. Approval for appointment of new staff members in CSE, ECE,EEE AND MBA Departments.
2. Analysis of BE 1st,3rd,5th,7th sem results
3. Analysis of M.Tech and MBA 1st,3rd sem results
4. Approval of special Increment for ECE staff members
5. Approval for Construction of 3rd floor girls hostel
6. Approval for purchase of computers for Language lab
7. The Governing Council has revised the Governing Body of Lingaraj Appa Engineering College.

Proceedings:

1. Approval for Appointment of New Staff Members in CSE, ECE, EEE and MBA Departments

The Governing Body reviewed the requirement for appointment of additional teaching staff members in the Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), Electrical and Electronics Engineering (EEE), and MBA departments to ensure effective academic delivery and compliance with AICTE and university norms. The departmental requirements, student strength, workload distribution, and future academic needs were examined in detail.

After thorough discussion and evaluation, the Governing Body approved the appointment of new staff members in the CSE, ECE, EEE, and MBA departments as per institutional requirements and recommendations of the selection committee.

2. Analysis of BE 1st, 3rd, 5th and 7th Semester Results

The Governing Body reviewed the academic performance and examination results of B.E. programs for the 1st, 3rd, 5th, and 7th semesters in detail. The results were analyzed based on overall pass percentage, distinctions, first class, second class, subject-wise performance, and department-wise academic progress.

After detailed deliberations, the Governing Body appreciated the efforts of the faculty members and emphasized the need for continuous academic monitoring and improvement measures. The Governing Body suggested conducting remedial classes, mentoring sessions, special coaching,

and academic support activities to enhance student performance and improve overall academic outcomes.

Course	Year	Sem	No. of Students Appeared	No. of Students Passed	Pass %	No. of FCD	No. of FC	No. of SC

3. Analysis of M.Tech and MBA 1st and 3rd Semester Results

The Governing Body reviewed the academic performance and examination results of M.Tech and MBA programs for the 1st and 3rd semesters in detail. The results were analyzed with reference to pass percentage, academic achievements, subject-wise performance, and overall student outcomes.

After thorough discussion, the Governing Body appreciated the efforts of the faculty members in maintaining academic standards and recommended continuous monitoring of student progress through mentoring, academic counseling, and additional support measures wherever necessary. The Governing Body emphasized the importance of maintaining high academic standards and improving learning outcomes.

Course	Year	Sem	No. of Students Appeared	No. of Students Passed	Pass %	No. of FCD	No. of FC	No. of SC
MBA - PG	2025-26	I	45	19	42	4	15	0

4. Approval of Special Increment for ECE Staff Members

The Governing Body reviewed the proposal for granting a special increment to the faculty and staff members of the Electronics and Communication Engineering (ECE) department. The proposal was discussed in detail considering the department's academic performance, contributions towards institutional development, research activities, student mentoring, and fulfillment of departmental responsibilities.

After thorough discussion and evaluation, the Governing Body approved the special increment for the ECE department staff members as per institutional norms and applicable policies. The Governing Body appreciated the efforts and contributions of the department and expressed that the special increment would serve as motivation for continued excellence in academic and institutional activities.

5. Approval for Construction of 3rd Floor of Girls Hostel

The Governing Body reviewed the proposal for construction of the third floor of the Girls Hostel building in order to accommodate the increasing number of students seeking hostel facilities and to strengthen the residential infrastructure of the institution. The requirement was discussed in detail considering existing hostel occupancy, future admission trends, and student accommodation needs.

After thorough discussion and evaluation, the Governing Body approved the proposal for construction of the third floor of the Girls Hostel building as per approved plans, institutional requirements, and budget provisions.

6. Approval for Purchase of Computers for Language Lab

The Governing Body reviewed the proposal for purchase of computers for the Language Laboratory to enhance communication skills training, language learning activities, and technology-enabled teaching methodologies. The requirement was discussed in detail considering the need for modern computing facilities to support language proficiency development and employability enhancement among students.

The Governing Body was informed that quotations had been invited from different vendors for the supply and installation of computers. The comparative statement of quotations, including technical specifications, warranty provisions, service support, and pricing details, was placed before the members for consideration. The members carefully examined and compared the quotations and found the selected quotation to be technically suitable and financially competitive for the institution's requirements.

After thorough discussion and evaluation, the Governing Body approved the selected quotation and accorded approval for the purchase of computers for the Language Laboratory as per institutional purchase procedures and budget provisions.
